Abby Slorey
The Legacy Society

There are ways you can make a lasting and permanent impact on the future, often larger than you thought possible. Helping future generations can also be done in a way that protects the resources you have set aside for your family.

The Centralia College Foundation can help you build this personal legacy and we invite you to join The Legacy Society, developed to help recognize those who choose such a sensible way to extend their impact far into the future.

Our ability to best serve the mission of the college depends on the willingness of our friends to include the Centralia College Foundation in their future plans. Won’t you help us by calling the foundation office at 360-736-9391, ext. 290, to see how you can be a part of this lasting legacy.

You can make a world of difference as you work with the foundation to create a legacy for the college and the deserving young men and women who most need our assistance.
Thank you for attending the 2014 Scholarship Awards Night.

We are grateful to our generous donors and proud of our excellent students.

As you contemplate the impact of these generous donors on the fulfillment of educational dreams, please consider how you can help future students at Centralia College achieve their educational goals by the following options available through the Centralia College Foundation: gifts of cash, securities, or properties as well as provisions of a will, life insurance, or trusts.

For additional information on how you can support the goals of the Centralia College Foundation, please call 360-736-9391, ext. 290, or e-mail at: foundation@centralia.edu
